

Interview Consent Form

I, _____, agree to be interviewed for the investigation of a complaint. I further agree that:

1. the purpose of the interview has been explained to me;
2. the interview may be electronically recorded to ensure accuracy; and
3. that it may be necessary for the Local Governance Commission to access my personal information as part of the investigation into a complaint.

Please be advised that all information shared with the Local Governance Commission is confidential. However, we may share this information with other government entities, as required, during an investigation.

Name of participant	Date

It's agreed that the interviewee is informed and understands the purpose of their participation in this interview.
